

Become a Sponsor of the Special Olympics Utah Black and White Bocce Ball

Saturday, April 30, 2016. Black tie invited, sneakers welcome!

As a sponsor of the 2016 Black and White Bocce Ball you will support Special Olympics Utah's mission to provide year-round sport training and competition for individuals with intellectual disabilities.

The Sheraton ballroom will be transformed into a beautiful backyard of an Italian villa where guests will enjoy fine food, conversation and bocce ball with Special Olympics Utah athletes and other guests all while participating in a mobile-bidding silent auction. The evening will end with an inspiring program featuring Special Olympics Utah athletes.
