New in 2018!
Snowshoeing & Basketball Seasons!

In 2018, Special Olympics Utah will offer two new sports for the winter season!

Snowshoeing

New! With the generous support of an anonymous donor, Special Olympics Snowshoeing will begin in 2018!
The State Snowshoe Competition will take place at Mountain Golf Course on February 24, 2018.
25, 50 & 100 meter races will be held, including a skills course. Snowshoeing is quickly becoming a favorite for outdoor winter activity. Combining aerobic activity with ease of walking over snow without sinking in, snowshoeing is an activity for all ages. Everyone is welcome!

Basketball

Starting in 2018, Basketball becomes its own season! The State Basketball Games will take place on March 23-24 at the University of Utah!
Players of all ages and all abilities are invited. Learn to handle the ball and keep it under control while dribbling in 3 on 3, or play more strategically in 5 on 5! Traditional and Unified Teams are welcome!
As with any sport, there is an eight week training period along with possible area games that will lead up to the state competition! More information coming soon! Stay tuned!
There’s plenty of fun and competition to be had by all!

For up-to-date information, please visit the Registration or Information Table, or www.sout.org
Choose an activity below to further support Special Olympics Utah athletes.

The Polar Plunge is the “coolest” event of the year!
Last year, our brave athletes & community friends took the plunge in Utah. The best part? After their bodies returned to 98.6°F and the donations were tallied, they raised more than $11,000 for Special Olympics Utah to support sports, competitions and programs. Booyah!
