Healthy Athletes® is a Special Olympics program where volunteer clinicians provide free health screenings for athletes and unified partners in a fun, welcoming environment. These volunteer clinicians often discover unknown health issues or provide health care that otherwise would not be available.

Screenings in four different health areas are being offered during the 2018 Fall Sports Classic at Northwest Middle School (bocce competition venue). Visit today!

- FUNfitness (physical therapy)
- Health Promotion (better health and well-being)
- Special Olympics-Lions Clubs International Opening Eyes (vision)
- Special Smiles (dentistry)
